**FUNDRAISING NEWS**

An exciting year ahead for Fundraising!

Following the success of last year’s fundraising events which raised in excess of $8000, designing is underway to create a collaborative piece of art work which every student and staff member at PNPS will be involved with. It is promising to be an exciting project which will hopefully become a focal point for the new front office after the capital works have been completed. Watch this space for more updates.

**2013 Fundraising – Can we raise $15,000?**

The focus for this year’s fundraising is to raise $15,000 to contribute towards purchasing rubber safety matting which will replace the bark chips underneath the playground. I am sure everyone will agree that the safety of our children is paramount and we should all pull together to raise these much needed funds which will benefit every student in the school.

The fundraising committee are looking for enthusiastic parents/carers who would be willing to help out in future fundraising events. If you would like to help, no matter how big or small the commitment, we would love to hear from you. Feel free to approach Victoria Corbett (Mason & Indie’s Mum), Nikki Garner (Lily-Rose’s Mum) or Tisha Beasley (Ayden & Troy’s Mum) for more information or call Vic on 0457121704 or email pnpsfundraising@gmail.com

The following timetable of events is an idea of what will hopefully be happening throughout this academic year.

Our school is a fantastic community based school and if we all pull together I am sure we can raise the money for the safety matting. Please be generous with your time, enthusiasm and effort. Our children will benefit greatly from the funds raised.

Thank you in advance for all of your support in the fundraising events.
