

English

Guided Reading-Daily 5:

A literacy framework that creates a class of highly engaged readers, writers and learners. The 5 rotations include; listen to reading, writing, read to self, read with someone and word/spelling work.

Spelling:

Weekly SoundWaves 2 and 3 units, challenges and sentence writing.

Writing:

Plan, draft and publish recount texts.

Oral Language:

Plan and deliver short presentations, providing some key details in logical sequence.

Punctuation:

Understand and demonstrate contractions. Recognise that commas are used to separate items in lists.

Science

Physical Science

The students will understand that science involves asking questions about, and describing changes in, objects and events. They will represent and communicate observations and ideas in a variety of ways.

The students will investigate how heat can be produced in many ways and can move from one object to another.

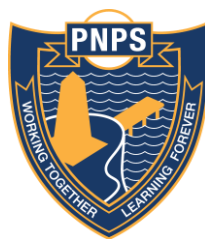

The Arts

Visual Arts

Create and display artworks to communicate ideas to an audience.

Use materials, techniques and processes to explore visual conventions when making artworks.

2021 Term 1 Learning Overview

Port Noarlunga Primary School

Teacher: Shannon Clarke

Year Level: Three

Specialist Teachers

Performing Arts: Susie Scott

History: Trevor Letcher

Physical Education/Health: Mike Woolford

Health: Jan Davoren

Important Dates

Thursday 25/2: Aquatics

Monday 8/3: Adelaide Cup Day

Friday 2/4: Good Friday

Monday 4/4: Easter Monday

Friday 9/4: Early dismissal last day of term

Technologies

Digital Technology

Follow, design, describe and follow a sequence of steps and decisions (algorithms) needed to solve simple problems.

Mathematics

Number and Algebra:

Recognise, model and represent and order numbers to at least 10 000.

Describe, continue and create number patterns resulting from performing addition or subtraction.

Apply place value to partition, rearrange and regroup numbers to at least 10 000 to assist calculations and solve problems.

Investigate conditions required for a number to be odd or even and identify odd and even numbers.

Back-to-Front Maths:

Our class will be following Tierney Kennedy's Back-to-Front Maths program. It is designed to incorporate genuine problem-solving experiences, journal problems, investigations and blast activities.

Buddy Class

This year our buddy class is Mr Josh's receptions. Our students will assist their little buddies with sounds and reading whilst modeling their own reading strategies. We will look out for each other at play times.
