

English

Spelling – Sound Waves.

- Understanding how to use letter-sound relationships and less common letter patterns to spell words.
- Exploring phonemes, graphemes, sound blends, sound boxes and how to segment words.
- Focus concepts: past tense, antonyms and synonyms, prefixes and suffixes, rhyming, compound words, alphabetical order, verb tense, collective nouns and homophones.

Reading – Literacy Pro, Levelled readers, Read Theory and Reading Eggs/Eggspress.

- Using comprehension strategies to build literal and inferred meaning to expand content knowledge, integrating and linking ideas and analysing and evaluating texts.
- Interpreting characteristic features used in imaginative, informative and persuasive texts to meet the purpose of the text.

Writing – Information Reports and Narrative

- Using a range of software including word processing programs to construct, edit and publish written text, and select, edit and place visual, print and audio elements.
- Using appropriate simple, compound and complex sentences to express and combine ideas.
- Collaboratively plan, compose, sequence and prepare a literary text along a familiar storyline, using film, sound and images to convey setting, characters and points of drama in the plot.

Science

Chemical Sciences

- Investigating changes of state between solids, liquids when adding or removing heat.
- Investigating particular properties of natural and processed materials.
- Exploring how changes from solid to liquid and liquid to solid can help us recycle materials.
- Considering how Aboriginal and Torres Strait Islander Peoples' knowledge of natural and processed materials informs the preparation of effective, vibrant and long-lasting paints.

2021 Term 3 Learning Overview

Port Noarlunga Primary School

Teacher

Shona Thompson

Year 3/4 (0.6)

Specialist Teachers

Performing Arts: Susie Scott

History: Trevor Letcher

Geography: Trevor Letcher

Languages (French): Karen Thorburn

Physical Education: Mike Woolford

Important Dates

Mural Painting Workshop – 9th August

Pupil Free Day – 23rd August

Book Week Assembly – 25th August

Last Day of Term 3 – 24th September

Health and Physical Education

Health covered by Danni Baumann

Physical Education covered by Mike Woolford

Buddies – Miss Alana's class

- Literacy support.
- Working collaboratively and building positive relationships
- Developing leadership skills.
- Improving effective communication skills.
- Negotiating to make decisions.

Mathematics

Number and Algebra

- Investigating equivalent fractions used in context.
- Modelling and representing unit fractions and their multiples to a complete whole.
- Making connections between fractions and decimal notation.
- Solving problems involving purchases and the calculation of change to the nearest five cents.
