

1st February 2024

Term 1 - Parent/Teacher Interviews Online Bookings

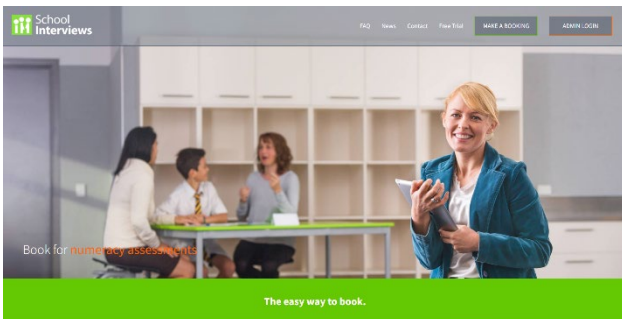

Dear Parents/Caregivers,

Over the next three weeks, starting Monday the 5th February, through to Friday the 23rd of February, teachers will be holding interviews to give families a chance to meet their child's new classroom teacher and check in on their progress. All bookings for these interviews need to be made online. All interview timeslots remain a first in, first served scenario.

The timeslots and availability for interviews have been arranged by classroom/specialist teachers and we would appreciate if all interviews can remain within these timeslots as much as possible. All interview times are a set length of 15 minutes. If you feel you will require longer, we would ask that you negotiate this with the required teacher prior to booking so they can plan accordingly.

Please follow the steps below to make a booking and discuss your child's learning with their classroom or specialist teacher:

- Visit www.schoolinterviews.com.au which will bring you to the page below.

Event Code

ej876

- Select the 'MAKE A BOOKING' button in the top right hand corner of the website.
- The event code for all PNPS School Interviews is **ej876**, please type in this code and click 'Go'. From here, follow the prompts and drop down boxes to the required teacher and please book your preferred interview time.
- **To assist with teacher preparation for interviews, we ask that interviews are booked by Friday 9th February.** Any interview times made after this date will require direct communication with the classroom teacher and 48 hours notice.

Regards,

Dylan Carter

Deputy Principal
