

LESSONS

In 2025, students in years 2-6 have one lesson a week with Mrs. Chandler. We focus on three topics: Music, Dance, and Drama. Each lesson is designed to engage students creatively and develop their skills in each area.

Students explore various instruments, learn to read music, express themselves through movement, storytelling, improvisation and participate in group performances. Enhancing their listening abilities, build confidence and teamwork. to think critically and work collaboratively.

Throughout the year, Mrs. Chandler integrates these topics, allowing students to see the connections between music, dance, and drama. Special projects, performances, and showcases regularly provide opportunities for students to demonstrate their learning and share their achievements with others.

CHOIRS

→ Year 5/6 Choir

Students in Years 5 and 6 can join the festival choir. They will learn a variety of songs from the Festival of Music repertoire, incorporating AUSLAN and choreography. Additionally, students will showcase their talents at Assemblies, Music Night, and the Southern Metro Music Festival in November.

→ Year 3/4 Junior Choir

The Junior choir will include students in years 3 and 4, and will have the same performance opportunities as the year 5/6 choir, with the exception of the Southern Metro Music Festival.
